

Movian - Feature #1062

[PS3] Option to Delete files (both on HDD and SAMBA)

07/30/2012 02:48 AM - Jerome Morrow

Status:	Fixed	Start date:	07/30/2012
Priority:	Normal	Due date:	
Assignee:	Andreas Smas	% Done:	100%
Category:	Filesystem	Estimated time:	0.00 hour
Target version:	4.4		

Description

May be this happens to others too: After watch an episode, I just want to delete it, because I don't want to watch it again nor make a backup the file on DVD.

This can be resolve adding something like context menu (may be using square button), with the "delete file" option. Then a popup message like "are you sure you want to remove....". The deleting process will erase the video file and its external subtitle too.

Hi

You can use search to not duplicate activity...

[\[\https://www.lonelycoder.com/redmine/issues/764 - Delete a file]]

#2 - 07/30/2012 09:35 PM - Jerome Morrow

OK, you are right. A few days ago I tried to read all the activity (bugs and features), but clearly did not see the one you mention.

Hopefully this feature can be incorporated in future releases.

#3 - 08/17/2012 04:29 PM - Andreas Smas

- Target version changed from 4.0 to 33

#4 - 09/03/2012 07:50 AM - Andreas Smas

- Category changed from User interface to Filesystem

#5 - 05/04/2013 06:36 PM - Jerome Morrow

Will be great if this feature can be implemented.... Thanks

#6 - 05/22/2013 10:24 AM - Andreas Smas

- Status changed from New to Accepted

- Target version changed from 33 to 4.4

Just a tiny update. I have this working for local file system now.

Adding samba support is easy so i'll do that as well before i push it.

Thanks for waiting :-)

#7 - 05/22/2013 12:58 PM - Jerome Morrow

Excelent news.... Thanks ;-)

#8 - 05/22/2013 04:35 PM - Girish Patel

Can this be an option to turn off please? As I don't like the thought of my kids being able to delete files

For me this dont work correct..

For USB HDD file this work perfect.

For PS3 HDD I'm cant delete folder, only works to delete files.

For SMB folder (windows 7 share folder in uSB HD NTFS with user full control access) - Dont work, I'm can't delete files or folder.

I'll make it possible to delete folders (assuming they are empty)

| *For SMB folder (windows 7 share folder in uSB HD NTFS with user full control access) - Dont work, I'm can't delete files or folder.*

True, I've not implemented SMB support yet (never claimed it either)

#11 - 05/26/2013 10:40 PM - Andreas Smas

- *Status changed from Accepted to Fixed*

- *% Done changed from 0 to 100*

Applied in changeset commit:076d4f688a76a5c71c180de86827e92ae076916f.

#12 - 05/27/2013 05:34 AM - Jerome Morrow

Thanks. Could you please also implement an "confirmation popup" and the hability to "delete non-empty folder"

#13 - 05/28/2013 08:52 PM - Andreas Smas

Jerome Morrow wrote:

Done (but only ask for confirmation when deleting folder).

Also displays number of files/directories to delete in confirmation dialogue.

#14 - 05/28/2013 09:21 PM - Jerome Morrow

Thanks again.. But, why not confirmation popup for single files ??? /plugin_assets/redmine_wiki_extensions/images/smile.png

#15 - 05/30/2013 01:28 PM - Tiago windcrusher

User is very boring same (I'm referendum to myself)

The option to disable / enable could be:

OFF

ON with confirmation

ON without confirmation

This is not a request, it's just a suggestion that may be standard for new on / off switch that seem need a confirmation ..

#16 - 05/30/2013 10:45 PM - Jerome Morrow

Works perfect. /plugin_assets/redmine_wiki_extensions/images/wink.png
