Target version:			
Description			
<p>I think it would be great when we add the Cover setting in setting menu.</p> <p>everybody can choose the right size for his TV.</p> <p>like this:</p> <p>normal (this for which showtime already used)</p> <p>large (this for showtime cover looks bigger than normal)</p> <p>extra large (this has no limit size Showtime displays it the biggest it can)</p> <p>i dont know which cover resize showtime for now use but it looks really to small on my tv (55 Zoll TV 140cm)</p>
