httpclient: Don't park cancelled connections

Fixes #2705

History

#1 - 06/23/2015 06:54 PM - Andreas Smas

- Target version changed from 5.0 to 4.10

This is actually a problem caused by reusing HTTP connections that have been cancelled. So it's causing a bit of bad connection reuse.

Not fatal since Movian will autoretry on bad parked connection, but should be fixed nevertheless

#2 - 06/23/2015 06:54 PM - Andreas Smas

- Status changed from New to Fixed

- % Done changed from 0 to 100
