

Movian - Feature #2896

appendItem with 'image' type doesn't care about icon property

11/14/2015 02:06 PM - Leonid Protasov

Status:	Fixed	Start date:	11/14/2015
Priority:	Normal	Due date:

Target version:	5.0		

Description

It always uses url param for both thumbnail in grid/ui and for displaying picture fullscreen. API like Dropbox supply thumbs for images. So network/cpu load can be lowered if using icon property for icon and url for displaying fullscreen

I suppose there should be following logic:

If icon property != "" / null - use it for icon. Other way use url for both purposes.

#2 - 11/14/2015 02:19 PM - Andreas Smas

- Status changed from New to Fixed

- % Done changed from 0 to 100
