

Movian - Bug #3161
END button is not working

06/03/2016 06:56 PM - Rob Koni

Status: New	Start date: 06/03/2016
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Found in version: 5.0.257	Platform: Google Native Client
Description	
<p>If I type in some text in the search bar I cannot press the END key to go to the end of the line. Instead it goes to the last icon on the homescreen.</p> <p>The only option is to use the cursor keys for now.</p>
