

Movian - Bug #3261

PS3 Showtime 4.09.430 // showtime.httpReq no Redirect to ddgu.ddos-guard.net and no SetCookie

01/29/2017 08:27 PM - Alex Friedrich

Status:	Need feedback	Start date:	01/29/2017
Priority:	Normal	Due date:	
Assignee:	Leonid Protasov	% Done:	0%
Category:	API	Estimated time:	0.00 hour
Target version:	5.2		
Found in version:	4.09.430	Platform:	PS3

Description

Hello i found Bug by PS3-Showtime 4.09.430 first sry for my english ^^

When i Use PS3 bs.to Plugin on 4.09.430 then function "showtime.httpReq" can not resolve/respone the streamlink from "bs.to/out/xxxx"

Github bs.to Plugin Developer = [<https://github.com/BuXXe/movian-bs-plugin>]

because I guess that the 4.09.430 showtime.httpReq function generally no redirect accepted or it was only in 5xx Movian API is bound to 5xx the plugin works without problems The problem is not the plugin itself!

Help ??

```
var response = showtime.httpReq(link,{caching:true,debug:true,compression:true,noFollow:false,method: "GET"});
```

New**02/03/2018****History****#1 - 01/29/2017 08:52 PM - Alex Friedrich**

Hello i found Bug by PS3-Showtime 4.09.430 first sry for my english ^^

When i Use PS3 bs.to Plugin on 4.09.430 then function "showtime.httpReq" can not resolve/respone the streamlink from "bs.to/out/xxxx"

Github bs.to Plugin Developer = [\[\[https://github.com/BuXXe/movian-bs-plugin\]\]](https://github.com/BuXXe/movian-bs-plugin)

because I guess that the 4.09.430 showtime.httpReq function generally no redirect accepted or it was only in 5xx Movian API is bound to 5xx the plugin works without problems The problem is not the plugin itself!

Help ??

Bs.to Plugin Script for Resolve Link_ --->

```
var response = showtime.httpReq(link,{caching:true,debug:true,compression:true,noFollow:false,method: "GET"});
```

```

#2 - 02/01/2018 07:56 PM - Leonid Protasov

- Status changed from New to Need feedback

Is this still reproducible in 5.0.500?

#3 - 02/04/2018 04:09 PM - Leonid Protasov

- Related to Bug #3366: Servers return empty location if redirect connection was parked added

#4 - 02/04/2018 04:09 PM - Leonid Protasov

- Assignee changed from Andreas Smas to Leonid Protasov

- Target version set to 5.2

#5 - 02/04/2018 04:11 PM - Leonid Protasov

<https://github.com/andoma/movian/pull/235/commits/93ecd8cf2d077d2490f7e15b8d866160ce4588c3>

#6 - 02/04/2018 04:11 PM - Leonid Protasov

- *Category changed from Plugins to API*
- *Status changed from Need feedback to Accepted*

#7 - 03/20/2018 05:36 AM - Andreas Smas

- *Status changed from Accepted to Need feedback*

I don't understand the change?

It seems to work in 5.0.5xx debug log? Why change anything?

#8 - 03/21/2018 11:21 PM - Leonid Protasov

It doesn't work in 5.x because on parked redirected connection you get endless redirect and it ends with Request destroyed. On 4.9.x it was ok.
