<b>Category:</b>	User interface	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	5.2		
<b>Description</b>			
When you are in navigation menu on the left side, it could be great to have the ability to access currently selected item's menu if you press ok on that big circle dot.			

### History

#### #1 - 01/29/2018 12:07 PM - Leonid Protasov

- Subject changed from Show focused item menu via left side (navigation) menu to Make big dot in the left side popup menu act like a switcher to have the ability to control items

#### #2 - 01/29/2018 12:14 PM - Leonid Protasov

- Subject changed from Make big dot in the left side popup menu act like a switcher to have the ability to control items to Make the big dot in the left side popup menu act like a switcher to have the ability to control items (move, bring up menu etc)

#### #3 - 02/01/2018 07:44 PM - Leonid Protasov
