

Movian - Bug #3374

Segmentation fault on starting the program

02/13/2018 07:54 PM - Mateus Filipe

Status:	New	Start date:	02/13/2018
Priority:	Normal	Due date:	
Assignee:	Andreas Smas	% Done:	0%
Category:	General	Estimated time:	0.00 hour
Target version:			
Found in version:	5.0.487 and commit 6704e9d at master	Platform:	Linux
Description			
<p>Both the downloaded release for linux (5.0.487) and built from source (commit 6704e9d) programs crash with a Segmentation Fault during the program initialization. I tried with --no-ui option, both the problem persists. The console dump with debug options follows:</p>
