

Movian - Bug #3378

Movian does not refresh IP after cable is plugged in

03/18/2018 05:28 PM - Rob Koni

Status:	New	Start date:	03/18/2018
Priority:	Normal	Due date:	
Assignee:	Andreas Smas	% Done:	0%
Category:	User interface	Estimated time:	0.00 hour
Target version:		Platform:	PS3
Found in version:	5.0.511		
Description			
<p>If Movian has no IP address and you plug the UTP cable in the back, the XMB gets an IP address automatically. You first have to restart Movian to get that IP. In other words there is no auto refresh.</p> <p>This may be the same for other platforms</p>
