

Movian - Bug #3390

Video rendered on top of OSD (Android 8)

06/28/2018 03:00 PM - Dean Kasabow

Status:	New	Start date:	06/28/2018
Priority:	Normal	Due date:	
Assignee:	Andreas Smas	% Done:	0%
Category:	GLW	Estimated time:	0.00 hour
Target version:		Platform:	Android
Found in version:	5.0.534		
Description			
After updating to Android Oreo (8.0) the video-playback-surface is rendered on top of the on-screen-display/subtitles/menus. It makes it impossible to navigate or watch subtitled videos.

The fix is to use

```
setZOrderMediaOverlay(true);
```

after

```
getHolder().setFormat(PixelFormat.TRANSLUCENT);
```

in GLWView.java
