

Movian - Feature #3391

Create openAPI specification for Movian http API.

07/04/2018 02:04 PM - paul .

Status:	New	Start date:	07/04/2018
Priority:	Normal	Due date:	
Assignee:	Andreas Smas	% Done:	0%
Category:	API	Estimated time:	0.00 hour
Target version:			
Description			
<p>An API specification should be created for the http api server in Movian. https://github.com/OAI/OpenAPI-Specification</p> <p>This would make the development of applications to control Movian much easier. It would also serve as documentation to put on the wiki.</p>
