<b>Category:</b>	API	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Description</b>			
<p>An API specification should be created for the http api server in Movian. <a href="https://github.com/OAI/OpenAPI-Specification">https://github.com/OAI/OpenAPI-Specification</a></p> <p>This would make the development of applications to control Movian much easier. It would also serve as documentation to put on the wiki.</p>
