- Category set to Subtitles

#3 - 04/12/2011 11:06 PM - andreus sebes

- File Stargate.Universe.S02E16.HDTV.XviD-P0W4.srt added

i also have this problem too. -Instead of the character and the next character it appears a square.

Example: Instead of "Era uma boa maça" it appears "Era uma boa ma□"

I think the problem is with non standard charaters: Portuguese/Spanish (à,á,é,ç,ê,ã,õ,ô,ñ...), Czech (č,ć,ž,š,ď...), etc

I send a portuguese srt file in attach
